Dr. Luis David Prieto M., Ph.D
President
Colombian Association of Engineering Schools (ACOFI)
Bogotá, Colombia

Dear ACOFI Chairman:

I am writing to confirm the endorsement of the IEEE Student Branch at Universidad Javeriana for the Colombian bid to host the World Engineering Education Forum in 2013.

I would be delighted to confirm our full support for the bid and for the event that will be held in Cartagena in 2013. We trust the Colombian Association of Engineering Schools (ACOFI) for their well known contribution to raise the quality of engineering education, and their experience in successfully organizing and developing the National Meeting of Engineering Schools. For these reason I am confident that ACOFI experience and added value will benefit the World Engineering Education Forum.

I offer any further help by the IEEE Student Branch at Universidad Javeriana for your commitment.

Thank you,

Ing. John Jairo Avila Arias
